DPW: 354-0064

Trustees Coppola and Squicciarino Re-Elected to Another Term

Village Elections took place on Wednesday, March 18th in Marcus Christ Hall. Richard Coppola, Jr. and Donna Squicciarino were re-elected to a four-year term. For Tr. Coppola, this re-election victory represents his 5th term or the start of his 17th year serving as Village Trustee. In his role as Trustee, Rich is the Village Liaison to the Nassau County Police, NHP Fire Department, Auxiliary Police, and Chamber of Commerce. For Tr. Squicciarino, her re-election represents the beginning of her 1st full term and the beginning of her 3rd year serving as Village Trustee. In her role as Trustee, Donna is the Village Liaison to the Village Clerk's Office, Parks and Recreation, and Beautification Committee. Rich and Donna are long-term Village residents dedicated to serving this community and helping to ensure the Village remains a clean, safe and enjoyable place to live and maintain a business. Mayor Lofaro administered the Oath of Office to Rich and Donna at the opening of the Annual Organization Meeting, held Monday evening, April 6th at Village Hall. After taking the Oath of Office, Rich and Donna thanked their families, members of the Board, and Village employees for their continued support and cooperation.

Trustees Donna Squicciarino and Richard Coppola are ready to begin serving their new term in office.

From the right: Mayor Robert Lofaro, Deputy Mayor Lawrence Montreuil, and Tr. Donald Barbieri congratulate Tr. Rich Coppola and Tr. Donna Squicciarino.

The Village Applies for Community Development Block Grant Funding For Commercial Rehabilitation, Residential Rehabilitation, and Streetscape Improvements

The Village has filed an application for Community Development Block Grant Funding which will help extend the streetscape improvement project west from Hillside Blvd. to the Floral Park border. This project will not be as extensive as was done in the past. It will repair the sidewalks and provide for some site furniture in select locations. We are waiting to see how much funding will be available to the Village for this coming year.

Residential Rehabilitation is available to low and moderate income homeowners for necessary home improvements and for the rehabilitation and preservation of their home. Residents who meet the income criteria set by Nassau County are eligible to apply for financial assistance. If you are interested in learning more about this program, or if you are interested in applying for residential rehabilitation funding, please call Cathryn Hillmann, Village Clerk/Treasurer at (516) 354-0022.

Mayor's Letter to the Residents

Dear Residents,

It's been a very busy Spring so far with the Village Board completing a number of tasks and objectives. We passed our 2015-2016 Budget, without exceeding the state mandated Tax Cap. This remains a great challenge as costs continue to rise, but with a much disciplined spending practice, we have been able to meet this requirement.

Thanks to our State Senator Jack Martins, our new Tennis Courts, Basketball Court, and Walking Path at Memorial Park are now completed and ready for our residents use.

I would like to congratulate Trustees Donna Squicciarino and Richard Coppola on their re-election. I know they will continue to add great value to the many discussions and provide the appropriate time commitment needed in assisting with making the right decisions that are required to run the Village effectively.

We have several bids issued. One for new recycling trucks and one for specific road and drainage improvement work. We again are hopeful that we will receive favorable results. We will also continue to plan and execute new road improvement projects as well as implement a new comprehensive road maintenance program.

Finally, I appeal to all residents to come out on Saturday, May 23rd and attend the Memorial Day Observance Parade and tribute event at Memorial Park when our New Hyde Park Community gives remembrance to the local residents that paid the ultimate sacrifice in defense of our country. These men left the comforts of their home here in the Village of New Hyde Park to never return. It's the least we can do to thank them.

Mayor Bob Lofaro

Village Community Clean Up Day

Village Community Clean Up Day took place on Saturday, April 18th. Over 30 volunteers, including members of Boy Scout Troop #298 and Troop #544, Sewanhaka High School Green Club, the Quantum Meditation Society of USA, and the Beautification Committee joined Trustee Donna Squicciarino and Mayor Bob Lofaro to clean the area alongside the LIRR tracks on 2nd and 3rd Avenues. Thanks to all the volunteers who donated their time and energy to this great community effort.

Volunteers removing weeds and debris from the planting area alongside the LIRR tracks at 2nd Avenue & S. 12th Street.

What a team. Over 30 volunteers came out to help beautify the Village. This was one of our largest groups ever!

2015 - 2016 Village Operating Budget

The annual budget hearing was held on April 7th at 7:30 pm and Village Clerk/Treasurer Cathryn Hillmann presented the 2015-2016 tentative budget with a proposed total appropriation of \$6,059,702.51. Time was allotted for public participation and questions.

At the April 21st Board Meeting, the Board unanimously adopted the Village operating budget for the 2015-2016 fiscal year. And, for the 4th consecutive year, the budget remains within the State mandated tax cap. The total appropriation of \$6,059,702.51 represents an increase of \$46,121.39 from last year's budget. The budget authorizes a tax levy of \$4,209,919.51, an increase of \$74,520.10 from last year's budget. This calculates to a tax rate of \$21.37 per \$100 of assessed valuation. This represents an increase of \$0.41 from last year's budget, or a 1.96% increase.

What does all this mean? How does this impact you? The average assessed household in the Village (with an assessed valuation of 5,400) will be required to pay an additional \$22.14 a year in Village tax.

The total Village Assessment Roll as of April 1, 2015 was set at 19,698,974 which is down 31,393 from last year's total assessment of 19,730,367. Other sources of revenue in the budget are projected at \$1,849,783 which represents a \$28,398.71 decrease from last year, or approximately -1.51%.

The Village's calculation for the 2% Tax Cap Limit projects an allowable Tax Levy increase of \$74,521 or 1.77% to be within the guidelines. The adopted budget authorizes a tax levy increase of \$74,520.10 or 1.77%, which meets the 2% Tax Cap Limit. On March 17, 2015, the Village Board adopted a Local Law on amending the Municipal Code of the Village of New Hyde Park authorizing a property tax levy in excess of the 2% limit established in General Municipal Law §3-C.

Here are some of the Budget highlights:

- Medical, dental, and vision expenses are projected to be \$778,322.35, a decrease of \$33,676.42 from last year. Beginning last year, some employees are required to contribute between 10% to 20% towards their medical, dental, and vision expenses.
- State Retirement expenses are projected to be \$332,655, a decrease of \$64,541 from last year.
- Worker's Compensation Insurance expenses are projected to be \$162,319, an increase of \$15,274 from last year.
- The decrease to the Total Village Assessment Roll of 31,393 represents a decrease in tax revenue of \$6,708.68
- Claims and Judgments Expense, which is set aside to satisfy Court Settlements for over payments of property taxes, has been increased by \$16,100.

Village Budget 2015 - 2016 Revenue

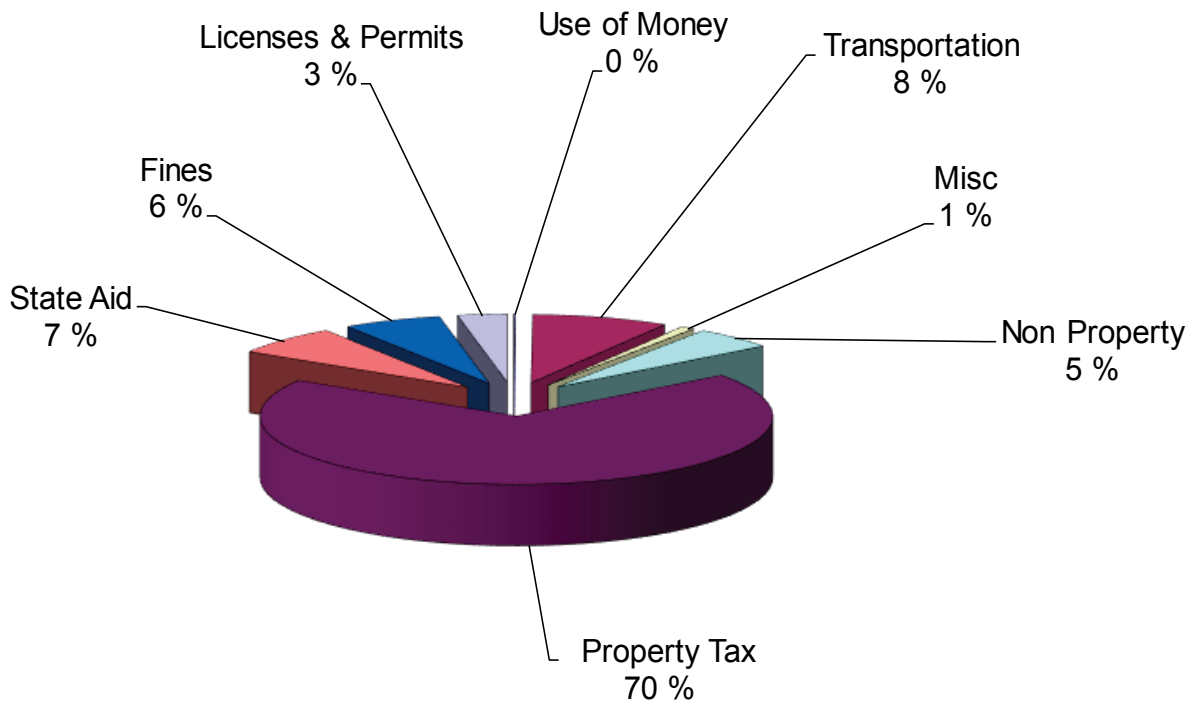

CHART LEGEND

<i>Budget Lines</i>	<i>Revenues 2015 - 2016</i>
Property Tax Revenue: Property Tax/Interest/Penalties	\$ 4,224,919.51

Village Board Meeting Schedule

The 2015/2016 Board Meeting schedule was announced at the Village Annual Meeting held on Monday evening, April 6th. Board Meetings are a great way to learn about topics, issues, and events in our community. Residents are welcome and encouraged to attend these public meetings. The meetings are held in the 1st floor of Village Hall at 8:00 pm or immediately following a public hearing. Time is always allotted for public input and questions. The remaining Board Meeting dates for 2015/2016 are:

May 5, 2015	November 17, 2015
May 19, 2015	December 1, 2015
June 16, 2015	December 15, 2015
July 21, 2015	January 5, 2016
August 18, 2015	January 19, 2016
September 15, 2015	February 2, 2016
October 6, 2015	February 16, 2016
October 20, 2015	March 1, 2016
November 3, 2015	March 15, 2016

Summer Block Parties

The harsh winter is a distant memory as we welcome spring and start planning summer activities. Block parties can be a great way to reconnect with your neighbors and friends, particularly after this bitter cold and snowy winter.

If you're interested in organizing a block party, you need to complete and submit a Block Party Application which includes consent from the majority of residents on the block. Requests must be submitted at least one month prior to the event and are subject to Village Board review and approval. The application is available on the Village website: www.vnhp.org/forms or in the Village Clerk's Office. Delivery and pick up of the street barriers is handled by the Department of Public Works.

Please be considerate of residents who choose not to participate and be aware that all amplified music systems must be shut down by 11:00 pm.

Veterans Affairs

The New Hyde Park Memorial Day Observance Parade and Ceremony

The annual Memorial Day Parade will be held on Saturday, May 23rd at 10 am. The parade begins at Lakeville Road and travels east on Jericho Tpke. to Village Hall, where a short solemn ceremony will take place. In tribute to their fallen brothers, the Veterans will lay a wreath at the monument. The parade will resume and continue north on New Hyde Park Road to Memorial Park for a short service and wreath laying. Members of the Village Board and local elected officials will participate and we hope you will too!

CSEA Contract

The Village Board unanimously voted to ratify the CSEA contract at the February 17th Board Meeting. All DPW employees are covered under the CSEA contract. The new contract became effective June 1, 2014 and will be in place through May 31, 2020.

After the Board voted to ratify the contract, Mayor Lofaro commented that all parties involved in the contract negotiations cooperated and worked diligently to come to agreement. Mayor Lofaro added that the Village Board and DPW employees have always had a good working relationship, one that is based on mutual respect and consideration. The Village Board is pleased that this contract has been finalized.

New Hyde Park Farmers' Market Returns

Central Blvd. Parking Lot

Almost Every Saturday

June 6 through November 21

8:00 AM - 2:00 PM

Featuring farm fresh produce, honey, artisan breads, jams, coffee, vegan baker, milk, cheeses, fresh pasta, sauces, and much more.

Parks and Recreation

Memorial Park Reconstruction Is Completed

Over the past year, we have been reporting on our plans and our efforts to complete a much needed capital improvement project at Memorial Park. We are pleased to report that the Park reconstruction has not only been completed but it has been completed four weeks ahead of schedule.

The project began in late March with the demolition of the tennis and basketball courts and the walkway around the perimeter of the Park and in front of the concession stand. These sites were then re-graded for correct slope; new drainage drywells and posts with concrete footings were installed; and asphalt was put down. Sealant, line painting, and decorative paint was applied to the courts and a new perimeter fence along the walkway was installed.

The construction was handled by Metro Paving, located in West Babylon. In February, Metro Paving was awarded the winning bid at \$239,000, which includes materials, labor, and construction. Expenses associated with design and engineering is expected to be under \$40,000 That brings the total projected cost to \$279,000. To offset this cost, the Village has \$200,000 available in capital improvement grants from NYS Senator Jack Martins and \$75,000 set aside from prior budget years. Although there are bills still outstanding, we remain confident that the actual cost to the Village for this capital improvement project will remain within budget.

We are pleased that the reconstruction has been completed just in time for everyone to enjoy summer events and activities in Memorial Park. We appreciate everyone's patience and cooperation during the reconstruction project.

The tennis courts are ready for play.

The basketball court looks great.

The perimeter walkway.

New Hyde Park Museum

Now that the warm weather has finally arrived, we are in the process of planning future events for all age groups. During the winter months, we presented an event in the William Gill Theater entitled Emerging Artists. The Emerging Artists presentation consisted of artwork created by the talented art students of New Hyde Park Memorial High School. A second showing took place in February at the Hillside Public Library. Both events were met with great enthusiasm and success. Many thanks to our Interns who were certainly a big help in getting these events together. Please look for the Museum postings as to future events and make plans to attend. It will be worth your while.

Recently, we received donations of some artifacts and photographs which we intend to put on display in the future. Although we are progressing forward, we need your help and cooperation. Volunteer your time. Become a member. Donate artifacts and photographs. Remember, the Museum is here for you. Come and browse. Explore your area's history and educate yourself. You will enjoy and be surprised at the depth and interest of its contents. While our Museum is open to the public, we have only sporadic hours and we need more volunteers to make longer hours possible. Let us hear from you. It will be greatly appreciated. Visit us on Facebook, our Museum website or telephone (516) 515-1387. Contact us for further information.

Phase II Storm Water Management Program Storm Water Pollution - Prevention & Pet Waste

Throwing pet waste in storm sewers is illegal. Federal, New York State, and Village regulations prohibit illegal or “illicit discharges” to storm sewer systems and are punishable by fine and/or imprisonment. Bagged or un-bagged pet waste thrown in storm sewer grates, openings, drains, or manholes is an example of an illicit discharge, which is a major cause of water pollution.

Storm sewers are not connected to wastewater treatment plants or septic systems like the drains in your home. When pet waste is tossed into a storm drain or left on the sidewalk, street, or yard, it is carried by rain water through the storm sewer system directly into our local water bodies, without any treatment!

Pet waste is a threat to human and environmental health because it contains harmful bacteria and pathogens, some of which can cause serious diseases in humans. Pet waste also contains many other nutrient pollutants, which contribute to excessive algae growth in a water body, upsetting the delicate balance of the natural habitat.

Being a responsible pet owner means picking up after your pet. Here’s how you can properly dispose of your pet’s waste and prevent local water pollution: Flush It. The best way to dispose of pet waste is to flush it down the toilet. Just remember to remove the waste from the bag or the litter before putting it in the toilet. Scoop the Poop. Bag it and put it in the trash. Landfills are designed to safely handle substances such as dog waste and cat litter.

Did you know that?

- There are an estimated 74.8 million dogs owned in the United States that create 72.5 billion pounds of waste every year! Just one gram of pet waste contains an average of 23 million fecal coli from bacteria.
- Some of these bacteria can cause serious gastrointestinal infections, as well as infections to the ear, eye, and throat in humans.
- As pet waste decomposes, it demands a high level of oxygen from the water. This demand can suffocate fish and plant life by reducing the amount of oxygen available to them.

Storm water is runoff from rain and snow melt. Under natural conditions, this water seeps into the ground. In urban areas, this water flows over impervious surfaces such as paved areas and building rooftops; does not percolate into the ground; and accumulates debris, chemicals, sediment or other pollutants.

Keep It Clean - Property Maintenance Is Everyone’s Responsibility

For many of us, Spring could not have arrived soon enough. Its long awaited arrival was met with excitement and relief. However, once the warmer temperatures finally melted the snow piles, the matted debris and litter that appeared on streets and on properties throughout the Village was distressing. As soon as the snow plows were put away for the season, street sweeping operations resumed. However, there is only so much that can be accomplished with a street sweeper. All residents and business owners need to pitch in and keep their property clean and free of weeds and debris. Being a good neighbor, whether commercial or residential, includes sweeping your property or storefront regularly to keep it clean. We all benefit from each other’s daily property maintenance practice.

The schedule for street sweeping mirrors the leaf pick up schedule. So, if your block has leaf pick up on Mondays, then your street is scheduled for sweeping on Mondays. Help the sweeper be most efficient. Please don’t park your car in front of your house on the day your block is scheduled for sweeping.

Zoning Board, Architectural Review Board, and Village Board Public Hearings

Zoning Board of Appeals:

February 11, 2015

- 21 New Hyde Park Road - The homeowner requested a name change on the existing Special Exception Permit. The case was dismissed after the homeowner failed to appear at the 2nd hearing.
- 133 North 12th Street - The homeowner requested a name change on the existing Special Exception Permit. The case was withdrawn upon the passing of the homeowner and the Building Department is working with the family regarding the removal of the second kitchen.

March 11, 2015

- There were no new cases on the docket. The ZBA met to sign previous decisions.

April 8, 2015

- There were no new cases on the docket and the ZBA did not meet.

Architectural Review Board:

February 4, 2015

- 1010 Third Avenue - The owner of HiTech Albums, a new business, is requesting two signs and one awning. The ARB approved a 7' x 3' black awning with the company name and logo in red and white on the drop down.
- 16 Herkomer Street - Plans were approved to build two new 2 story homes each on 60' x 100' lots. Both homes will be identical in structure but will have different color roofs, siding, brick mortar and attic vents.

March 4, 2015

- Empty Lot next to 159 North 11th Street - The homeowner/contractor presented plans to build a new 2 story one family home with a detached garage on a 40' x 100' lot.

Planning Board:

February 4, 2015

- 16 Herkomer Street - A proposal to subdivide a 120' x 100' lot into two 60' x 100' lots and construct two new homes was granted.
- 311 Central Blvd. - A proposal to subdivide a 80' x 100' lot into two 40' x 100' lots and construct two new homes was granted.

Village Board:

February 3, 2015

- The Board amended the Village drug and alcohol testing policy to expand the definition of a covered employee and the contact list.
- The Board tabled a proposed new local law to authorize public utilities to remove double utility poles and allow the DPW Supt. to issue summonses to public utilities for their failure to promptly remove utility poles that are no longer in use. Discussions continue with the Village Attorney and the utility companies.

February 17, 2015

- The Board approved a Special Use Permit for Ultra Mini-Mart at 1501 Jericho Turnpike to install a new 12,000 gallon fuel storage tank, additional gas pumps, and two overhead canopies.

March 17, 2015

- The Board authorized the Village Clerk to submit an application for \$225,000 in Community Development Block Grants for commercial rehabilitation, residential rehabilitation and streetscape improvements.

2015 CHILDREN'S SUMMER RECREATION PROGRAM

The Village Parks and Recreation Commission is pleased to offer our extremely popular Children's Summer Recreation Program to be held at Memorial Park. Children between the ages of 6 through 12 will be treated to hours of fun and enjoyment. The large shelter at Memorial Park provides a sun-free setting for games and entertainment. Improvements have just been completed at Memorial Park, including reconstruction and resurfacing of the tennis and basketball courts and the walking path around the perimeter of the Park and the Field House.

This Program will run Monday through Thursday for five weeks beginning on **Monday, July 6 through Thursday, August 6.** Children will be divided into two age specific sessions. Children ages 6 - 8 will attend the morning session from 10:00 AM to 12:30 PM. Youth between the ages of 9 - 12 will attend the afternoon session from 1:30 PM to 4:00 PM. All program activities will be geared to the appropriate age groups.

The Park Field Office will be closed for lunch between the hours of **12:30 PM and 1:30 PM** and there is no supervision available during that time period.

Registration will be held at **Village Hall on Wednesday, June 17th from 10:00 AM to 2:00 PM.** Please bring a **completed application** for each child along with **proof of residency** (tax bill, utility bill, etc.) A 1 inch by 1.5 inch photo of your child is required. If you have more than one child to register, blank application forms can be obtained at the Village Clerk's Office in advance or on registration day.

This program is provided free of charge to Village residents. Non-village residents in the 11040 zip code are eligible, pending availability, with a \$100 registration fee per child.

The Village Parks and Recreation Commission is confident that this Program will provide your children with great summer activities and entertainment. We encourage you to have your children participate.

*Where else should our Village children be,
than playing in our terrific parks.*

**2015 CHILDREN'S SUMMER RECREATION PROGRAM
REGISTRATION FORM**

Child's Name: _____

Child's Address: _____

Date of Birth: (Age as of July 1, 2015) _____

Child is in good health, except as listed below.

(Please describe below all allergies, drugs and medications, or any medical problems. If none, state "none"): _____

Parent/Guardian Name: _____

Home Phone: _____ Business #: _____ Cell #: _____

EMERGENCY CONTACTS:

Another exciting show is
being planned in August.

Watch the e-board for
show information.

?????????

Free admission! For your comfort, you are welcome to bring a blanket or a chair to the show.

In case of inclement weather, all shows will be held at the William Gill Theatre, Village Hall, 1420 Jericho Tpke, 2nd Floor.
