8.1.7 CONTRACTOR is aware of the general nature of work to be performed by VILLAGE and others at the Site that relates to the Work as indicated in the Contract Documents, if any.

8.1.8 CONTRACTOR has correlated the information known to CONTRACTOR, information and observations obtained from the Contract Documents, and all additional examinations, investigations, explorations, tests, studies, and data with the Contract Documents.

8.1.9 CONTRACTOR has given VILLAGE written notice of all conflicts, errors, ambiguities, or discrepancies that CONTRACTOR has discovered in the Contract Documents, and the written resolution thereof of VILLAGE is acceptable to CONTRACTOR.

8.1.10 The Contract Documents are generally sufficient to indicate and convey understanding of all terms and conditions for performance and furnishing of the Work.

8.2 CONTRACTOR shall not, without the prior written consent of the VILLAGE, assign or sublet in whole or part his rights or interests under any of the Contract Documents; and, specifically, but without limitation, CONTRACTOR shall not assign any moneys due or to become due without the prior written consent of the VILLAGE, and unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.

8.3 VILLAGE and CONTRACTOR each binds himself, his partners, successors, assigns and legal representatives to the other party hereto, its partners, successors, assigns, and legal representatives in respect to all covenants, agreements and obligations contained in the Contract Documents.

8.4 The Contract Documents constitute the entire agreement between VILLAGE and CONTRACTOR and may only be altered, amended or repealed by a duly executed written instrument.

Article 9. OTHER PROVISIONS.

9.1 CONTRACTOR and VILLAGE recognize that time is of the essence of this Agreement and that VILLAGE will suffer financial loss if the Work is not completed within the times specified in Article 3. The parties also recognize the delays, expense, and difficulties involved in proving in a legal proceeding the actual loss suffered by VILLAGE if the Work is not completed on time. Accordingly instead of requiring any such proof, VILLAGE and CONTRACTOR agree that as liquidated damages for delay, but not as a penalty, CONTRACTOR shall pay VILLAGE \$100 for each work day that expires after the Contract Time specified for completion until the Work is complete.

9.2 Severability: Any provision or part of the Contract Documents held to be void or unenforceable under any Law or Regulation shall be deemed stricken and all remaining provisions shall continue to be valid and binding upon VILLAGE and CONTRACTOR, who agree that the Contract Documents shall be

reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision.

9.3 This Agreement and all related documents shall be construed and governed under the laws of the State of New York.

9.4 CONTRACTOR warrants that the work conforms with all Federal, State and Local Rules and Regulations in effect at the time of contract signing. Any changes or additions to said Federal, State and Local Rules and Regulations which customer desires may result in a change order and additional costs to the VILLAGE.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement the day and year first above written.
